

25th WCD 2023
SINGAPORE
AMBASSADOR

Nellie Konnikov

Professor of Dermatology at Boston University School of Medicine and Tufts Medical School, USA. She is a Chief of Dermatology and Director of TeleDermatology at Boston VA Healthcare System, where she has developed the largest center for medical and surgical Dermatology, PDT and Facial Volume restoration. She is a Lead Dermatologist within New England and responsible for Healthcare delivery to US Veterans in five states.

Graduated and received her M.D. degree from Moscow Medical School, Dr. Konnikov became a Leader in Academic Dermatology in USA and International community.

She is a past President of New England Dermatological Society (NEDS) and an ex-Chair of Committee on International Affairs at American Academy of Dermatology. Currently, she is Secretary-General of International Society of Dermatology.
